Cash Crop

Every coin in the field ends up in the barn.

Farm

About the game

Harvest season on the farm. Cows, pigs, sheep, goats and chickens line up on the reels, while baskets, tomatoes, peppers, corn and pumpkins fill the gaps between the bigger wins.

Coins with cash values ride the reels all the time, but they wait for the barn. In free spins the barn wild collects every coin in view, and each set of collected wilds pushes the round up the multiplier ladder and adds more spins.

Players who like a hotter base game can switch the ante bet on for more frequent bonus rounds, or buy the free spins straight away where the operator allows it.

Lines & collect. Line wins in the base game; in free spins a wild collector scoops up every coin on screen and climbs a multiplier ladder.
