Fish on!

Cast the line. The crowned fish is out there.

About the game

Early morning on the lake, rods ready. Four kinds of fish are the top catch, while the octopus, the bucket, the boat and the tackle keep the lines busy.

The tackle chest opens the free spins. Money fish swim in with cash values, and the fisherman wild reels in every one of them. Collect enough and the round levels up with a bigger multiplier and extra spins.

Somewhere in the lake swims the crowned fish, the catch every angler dreams of. Impatient anglers can buy the free spins where the operator allows it.

Lines & collect. Line wins in the base game; in free spins a wild collector scoops up every coin on screen and climbs a multiplier ladder.
