Fruit Stars

Pick the ripest fruit. Catch the brightest star.

Fruits

About the game

A summer garden full of ripe fruit. Watermelons, cherries, lemons and oranges share the reels with golden stars that light up whenever they land.

Star coins carry cash values and jackpot plates. Collect enough of them for Hold & Win, where coins stick, respins reset and a full board takes the Grand. Free spins add a second way into the action.

A bright, easy-to-read fruit game with two bonus features and a direct Hold & Win buy where the operator allows it.

Hold & Win. Coins lock in place, every new coin resets the respins, and a full board pays the top jackpot.

Bonus buy **Coin collect** **Free spins** **Fixed jackpots** **Respins**
