Ancient Egypt

About the game

Deep in the desert, a forgotten tomb opens. The golden pharaoh mask rules the reels, with Cleopatra, the cat goddess Bastet and the sacred scarab close behind, and lotus flowers and ankhs among the treasures buried for thousands of years.

The ancient book is wild and scatter at once. Open enough books and free spins begin with one symbol chosen at random to expand: whenever it lands, it grows over the whole reel and pays across all lines.

A book game in the classic tradition, with an ante bet and a bonus buy where the operator allows them.

Book & expand. A book that is both wild and scatter, and free spins in which one chosen symbol expands over whole reels.
